

## PRELIMINARY CALL FOR PAPERS

We are pleased to announce the opening of the preliminary call for the ADM2021 International Conference that is being organized in Rome, Sapienza - Faculty of Civil and Industrial Engineering, together with **ADM – Associazione Nazionale Disegno e Metodi dell'Ingegneria Industriale**.

### Topics included but not limited to:

- Geometric Modelling and Analysis
- Industrial Design and Ergonomics
- Virtual/Augmented Reality and Interactive Design
- Reverse Engineering, Digital Acquisition and Inspection
- Geometrical Product Specification and Tolerancing
- Knowledge and Product Data Management
- Design for Manufacturing and Assembly
- Design for Additive Manufacturing
- Integrated Product-Process Design
- EcoDesign
- Integrated Methods for Design, Simulation, Analysis and Optimization
- Geometric and Functional Characterization of Products
- Experimental Methods in Product Development
- Engineering methods in human-related applications
- Engineering Education

Accepted papers will be published on book, edited by Springer and indexed in SCOPUS

Deadlines	Committees
<p>30th November '20: Expression of interest</p> <p>30th of January '21: Paper Submission</p> <p>31st of March '21: Acceptance Notification</p> <p>1st of May '21: Revised Paper Submission</p> <p>1st of June '21: Final acceptance</p>	<p><b>Conference Chair:</b> Caterina Rizzi, Università di Bergamo, <i>ADM Scientific Committee Coordinator</i></p> <p><b>Conference Program Chair:</b> Francesca Campana, Sapienza Università di Roma (IT)</p> <p><b>Scientific Committee:</b> <i>to be announced soon</i></p>
